Happy New Year! As we step into 2025, our theme for HRC's 40th year is Great Expectations! The apostle Peter wrote to us saying, "Now we live with great expectations, and we have a priceless inheritance (1 Peter 1:3).

This is a time for fresh beginnings and renewed energy as we continue to fulfill the mission God has placed on our hearts. At HeartReach, we're here to equip women and men with life affirming resources and help with

the challenges of parenting children and growing them into adults.

On January 19, 2025, we celebrate Sanctity of Human Life Sunday. This day was recognized by President Regan in 1984 to commemorate the many lives lost to abortion, and commit to protecting human life at every stage. At HRC we renew that commitment once again.

The Alaska Legislature legalized abortion in 1970, making us one of only 9 states that allow abortion up until birth. Of the other 41 states, 12 have a total abortion ban and 29 have abortion bans based on gestational duration. (Guttmacher Institute)

As reported by David Bereit in the January 2025 newsletter of Reviving America Summit, on the first day of the legislative session in Virginia, abortion extremists were preparing to fast-track a radical amendment to enshrine abortion—up until birth.

Virginia could become an "abortion sanctuary," but this isn't just Virginia's fight. What happens in Virginia could continue to advance a dangerous precedent—fueling efforts to rewrite state constitutions across the country and erase protections for women, men, babies, and families.

So this January, we celebrate the lives rescued these last 40 years, but we press on to eliminate abortion from the great state of Alaska. We need faith-driven action to utilize all the resources the Holy Spirit has given us.

We appreciate our friends, donors, and prayer partners that have stood with us these last 40 years. Thank you for your faithfulness. As we move forward together your generous support and prayers will help hundreds more to find hope, life, value, and truth.

Standing in His Grace, *Joyce Moropoulos*

In her words

The care I received today felt as if God's presence was near. I love the ladies who took care of me. Thank you for giving me more faith that I can succeed as a woman and as a mommy.
